**GOV. EASLEY ANNOUNCES TOWN OF HERTFORD TO RECEIVE \$3 MILLION
STATE LOAN FOR WASTEWATER IMPROVEMENTS**

RALEIGH – Gov. Mike Easley today announced that the Town of Hertford will receive \$3,000,000 from the General Revolving Loan Account for wastewater system improvements.

“These funds will allow Hertford to make much-needed investments in its infrastructure,” Easley said. “This type of investment is key to the area’s success in pursuing economic development opportunities and for improving the environmental performance of its facilities.”

These funds will support the upgrade and expansion of the town’s wastewater treatment plant. Work on the project is slated to begin in the early summer of 2007.
